Excellent movie &, based on the epilogue, a realistic portrayal of the actual events. The performance of the cast & the direction & production are outstanding. Beyond the high entertainment value, everyone has something to learn from this movie. Obviously Ms Bell is amazing.

@lifetimetv @johnsonproduct2 @AndrewErin @timojohnson @gailharvey13 @katieboland @reallycb @Tomstevensactor @LDChag I had plenty of fun looking at #JailbreakLovers. The Toby-John dynamic was the most incredible highlight of the movie ever, and it was beautifully depicted.

MOVIE PREMIERE 8/7c, Lifetime

Love can make us do crazy things...but this? After Toby Young (*Good Witch*'s Catherine Bell) brings her rescue dog program to a Kansas correctional facility, inmate John Manard (Tom Stevens, above, with Bell) unleashes such strong feelings in her, she helps him escape in a pet crate! (Yes, this happened in 2006!) Toby's husband "didn't even look in her direction when she came home," Bell says. "John was the first person—certainly the first man—who ever really paid attention to her and made her feel special."

The film includes confessional scenes using lines from actual interviews. "It helps gain insight into what Toby was thinking," Bell says. "I hope the real Toby enjoys our version!" —*Jim Halterman*
